3.13. Any trading decision made by the client is his/her sole responsibility. The company is not liable for consequences of such decisions.

3.14. By accepting this Agreement the Client confirms he/she has read the communication rules and agrees that he/she is only able to perform orders by means of trading terminal only.

3.15. The Client agrees that the Company can modify, add, rename or cancel any or the scope of the services offered in this Agreement partially or completely without prior notification. The Client also agrees that the Agreement is applied to the services which may be modified, added or renamed in future in addition to the services provided by the Company at present.

3.16. The Company is not liable to (unless set forth in this Agreement) attempt to execute any Client's order at the quotes other than the quotes offered in Metatrader 4 trading platform

3.17. The Company is under no circumstances a tax agent. The Parties comply with their tax and/or any other obligations independently and on their own.

4. Client orders and transactions

4.1. The Company provides Market Execution on all the trading instruments.

4.2. As a result of the nature of the Market Execution, slippage during orders opening/closure may occur. The Client agrees that such possible occasional slippage is a natural consequence and feature of Market Execution and the Company is not responsible for it in any way.

4.3. Any possible open/close price deviation is a subject of the available liquidity. The Company bears no responsibility for the consequences of such deviations and/or price difference from the price requested by the Client.

4.4. The Client can cancel a sent order only while it is in queue with "Order is accepted" status. In this case the Client should press "Cancel order" button. Due to the specifics of Metatrader 4 platform order cancellation in this case cannot be guaranteed.

4.5. The Client's request to open/modify or close an order can be declined in the following cases:

4.5.1. During market opening when the order is sent before the first quote is received by the trading platform;

4.5.2. In exceptional market conditions;

4.5.3. In case the Client doesn't have sufficient margin. In this case "No quote" or "Not enough money" message is displayed by the trading platform;

4.5.4. In case the Client uses an EA performing over 60 requests per minute the Company reserves a right to ban such EAs;

4.6. The use of the same IP address by different clients can be a reason to consider all the orders in all the accounts, performed from this IP address, as those performed by the same Client;

4.7. Orders opened or closed by off-market quotes can be cancelled:

4.7.1. In case the order was opened by an off-market quote;

4.7.2. In case the order was closed by an off-market quote;

4.8. Using arbitrage strategies on linked markets (e.g. currency futures and spot currencies) is prohibited. In case the Client uses arbitrage in either clear or hidden way, the Company reserves a right to cancel such orders.

4.9. In exceptional cases short-term orders lasting less than 20 seconds can be cancelled should they be considered an abuse.

4.10. The Company reserves a right to cancel Client's orders in case they do not comply with this Agreement.

4.11. In case the Client uses a swap-free account to perform arbitrage orders the Company reserves a right to change the account status back to regular and deposit/charge swaps for the whole period with prior written notification.

4.12. A buy order shall be opened by Ask price. A sell order shall be opened by Bid price.

4.13. A buy order shall be closed by Bid price. A sell order shall be closed by Ask price.

4.14. Swap addition/deduction to open orders is performed from 20:59:00 to 21:01:00, terminal time. So the swap charges (or, on the contrary, payouts) will be applied to all open orders during the period from 20:59:00 to 21:01:00, terminal time.

4.15. The Company reserves a right to increase spreads in case one or more of the following events occur:

4.15.1. In case the market conditions become irregular;

4.15.2. In case trading conditions for one or more currency pairs are changed;

4.15.3. In case of Force Majeure event(s);

5. Order processing

5.1. At the moment when Client's order to open the position comes to the server, an automatic check of the trading account for free margin for the open order is carried out. In the event that the necessary margin is present, the order is opened. If the margin is not sufficient, the order is not opened. Due to Market execution an opening price may differ from the requested one. The note about the open order appearing on log-file of the server declares that Client's request has been processed and the order has been opened. Each open order on the trading platform receives a ticker.

5.2. While opening an order on the market the Client shall not submit orders "Stop Loss" and "Take Profit" due to Market Execution. Setting "Stop Loss" and "Take Profit" is performed by modifying an open order

6. Mandatory position closure (Margin call and stop out)

6.1. Margin call occurs whenever account's margin level falls below 100%. The Company is entitled but not liable to close Client positions in this case.

6.2. The Company is liable to mandatory close Client open positions without prior notification in case Margin level falls below 20% (or stated otherwise depending on account type) of the required margin. This event is called Stop Out.

6.3. Stop out is executed at a current market quote on a first-come-first-serve basis. Stop out will be fixed in server's log-file as "stop out".

6.4. In case the Client has several open positions, the first position to close will be the one with highest floating loss.

6.5. In case Stop Out leads to account balance becoming negative, Client must make deposit immediately to settle the negative amount.

6.6 Margin Call and Stop Out levels may be increased during news releases, periods of high market volatility, abnormal market conditions and other irregular events.

7. Leverage modification

7.1. Leverage modification is only allowed once in every 24 hours.

7.2. The Company reserves a right to modify Client's leverage settings at any time. without prior notification.

15.3.4. Within one hour after it has been posted on the Company News Webpage, if posted at the Company's Website;

15.4. On the first day of each month the Company will send the Client a statement which includes all Transactions during the previous month. The Statement shall be sent by email.

15.5. Any telephone conversation between the Client and the Company may be recorded. All Instructions and Requests received by telephone will be binding as if received in writing. Any recordings shall be and remain the sole property of the Company and will be accepted by the Client as a conclusive evidence of the Instructions, Requests or other arising obligations. The Client agrees that the Company may deliver copies of transcripts of such recordings to any court, regulatory or government authority.

16. Dispute resolution

16.1. In case any conflict situation arises when the Client reasonably believes that the Company as a result of any action or failure to act breaches one or more terms of the Agreement, the Client has the right to file a complaint.

16.2. To file any complaint, the Client should email it to support@firewoodfx.com.

16.3. A complaint MUST contain:

16.3.1. First and Last name of the Client (or company name if the Client is a legal entity);

16.3.2. Client's login details in the Trading Platform (i.e. Account number);

16.3.3. Details of when the conflict first arose (date and time in the Trading Platform time);

16.3.4. Ticker of the order in question;

16.3.5. Description of the conflict situation supported by the reference to the Agreement;

16.4. The complaint MUST NOT contain:

16.4.1. Affective appraisal of the conflict situation;

16.4.2. Offensive language;

16.4.3. Uncontrolled vocabulary;

16.5. The Company has the right to reject a complaint in case any of the above mentioned provisions are breached.

16.6. The Claim resolution term is set as 10 (ten) working days since the claim has been submitted. In occasional cases the term may be increased.

17. Server log file

17.1. The Server Log File is the most reliable source of information in case of any Dispute. The Server Log File has absolute priority over other arguments including the Client Terminal Log File as the Client Terminal Log File does not register every stage of the execution of the Client's Instructions and Requests.

17.2. If the Server Log File has not recorded the relevant information to which the Client refers, the argument based on this reference may not be considered.

18. Indemnification

18.1. The Company may resolve all Disputes by ONLY:

18.1.1. Crediting/debiting the Client's Trading Account;

18.1.2. Reopening erroneously closed positions; and/or

18.1.3. Deleting erroneously opened positions or placed Orders.

18.2. The Company has the right to choose the method of Dispute resolution at its sole discretion.

18.3. Disputes not mentioned in the Agreement will be resolved in accordance with the common market practice and at the sole discretion of the Company.

18.4. The Company shall not be liable to the Client if for any reason the Client has received less profit than had hoped for or has incurred a loss as a result of uncompleted action which the Client had intended to complete. This said, the Company will under no circumstances compensate any "lost profit".

18.5. The Company shall not be liable to the Client in respect of any indirect, consequential or non-financial damage (emotional distress, etc).

19. Rejection of complaint

19.1. In case the Client had been notified in advance by Trading Platform internal mail or some other way of routine construction on the Server, complaints made in regard to any unexecuted Instructions or Requests which are given during such a construction period, are not accepted. The fact that the Client has not received a notice shall not be a reason to file a complaint.

19.2. Complaints regarding Order execution time are not accepted.

19.3. No Client complaints will be accepted in regard to the financial results of the orders opened or closed using temporary excess Free Margin on the Trading Account gained as a result of a profitable position (cancelled by the Company afterwards) or opened at an Off-market quote (Spike) or by any other reason.

19.4. In regard to all Disputes any references by the Client to the Quotes of other companies or information systems can not be taken into account.

19.5. The Client acknowledges that he/she will not be able to manage the position while the Dispute in regard to this position is being considered and no complaints in regard to this matter are accepted.

20. Force majeure

20.1. The Company may, in its reasonable opinion, determine that a Force Majeure Event exists, in which case the Company will, in due course, take reasonable steps to inform the Client. A Force Majeure Event includes without limitation:

20.2. Any act, event or occurrence (including, without limitation, any strike, riot or civil commotion, terrorism, war, act of God, accident, fire, flood, storm, interruption of power supply, electronic, communication equipment or supplier failure, civil unrest, statutory provisions, lock-outs) which, in the Company's reasonable opinion, prevents the Company from maintaining an orderly market in one or more of the Instruments;

20.3. The suspension, liquidation or closure of any market or the abandonment or failure of any event to which the Company relates its Quotes, or the imposition of limits or special or unusual terms on the trading in any such market or on any such event.

20.4. In case the Company determines in its reasonable opinion that a Force Majeure Event exists (without prejudice to any other rights under the Agreement) the Company may without prior Written Notice and at any time take any of the following steps:

20.4.1. Increase margin requirements;

20.4.2. Close down any or all Open Positions at the prices which the Company shall consider in good faith to be appropriate;

20.4.3. Suspend or freeze or modify the application of any or all terms of the Agreement to the extent that the Force Majeure Event makes it impossible or impractical for the Company to comply with them; or

20.4.4. Take or omit to take all such other actions as the Company deems to be reasonably appropriate in the circumstances with regard to the position of the Company, the Client and other Clients.

21. Safety

21.1. The Client will not proceed and avoid proceeding in any action that could probably allow the irregular or unauthorized access or use of the Trading Platform. The Client accepts and understands that the Company reserves the right, at its sole discretion, to terminate or limit his access to the Trading Platform if it suspects that he allowed such use.

21.2. When using the Trading Platform the Client will not, whether by act or omission, do anything that will or may violate the integrity of the Platform or cause it to malfunction.

21.3. The Client is permitted to store, display, analyze, modify, reformat and print the information made available through the Trading Platform. The Client is not permitted to publish, transmit, or otherwise reproduce that information, in whole or in part, in any format to any third party without the Company's consent. The Client may not alter, obscure or remove any copyright, trademark or any other notices that are provided on the Trading Platform.

21.4. The Client agrees to keep secret and not to disclose any Access Data to any third party.

21.5. The Client agrees to notify the Company immediately if he knows or suspects that his Access Data have or may have been disclosed to any unauthorized person.

21.6. The Client agrees to co-operate with any investigation the Company may conduct into any misuse or suspected misuse of his Access Data.

21.7. The Client accepts that he will be liable for all Orders given through and being logged in under his Access Data and any such Orders received by the Company shall be considered as received from the Client.

21.8. The Client acknowledges that the Company bears no responsibility for any unauthorized third persons obtaining access to information, including logins, passwords, electronic currency accounts access, emails, electronic addresses, electronic communication and personal data, when the above are transmitted, using the internet or other network communication facilities, post, telephone, during oral or written conversation or any other means.

22. Miscellaneous

22.1. The Company has the right to suspend the Client's Trading Account at any time for any good reason with or without Written Notice to the Client.

22.2. In the event that a situation arises that is not covered by the Agreement, the Company will resolve the matter on the basis of good faith and fairness and, where appropriate, by taking such action as is consistent with market practice.

22.3. In case any term of the Agreement (or any part of it) shall be held by a court of competent jurisdiction to be unenforceable for any reason then such term shall, to that extent, be deemed severable and not form part of this Agreement,. However, the enforceability of the remainder of the Agreement shall not be affected.

22.4. The Client may not assign, charge or otherwise transfer or purport to assign, charge or otherwise transfer the Client's rights or obligations under the Agreement without prior written consent of the Company and any purported assignment, charge or transfer in violation of this term shall be voided.

22.5. Where the Client comprises two or more persons, the liabilities and obligations under any agreement with the Company shall be joint and several. Any warning or other notice given to one of the persons which form the Client shall be deemed to have been given to all the persons who form the Client. Any Order given by one of the persons who form the Client shall be deemed to have been given by all the persons who form the Client.

22.6. The Client accepts and understands that the Company's official language is English and the Client should always read and refer to the English Version of the Company's Website for all information and disclosures about the Company and its activities. Translation or information provided in languages other than English in the Company's local websites is for informational purposes only and does not bind the Company or has any legal effect whatsoever. The Company shall not bear any responsibility or liability regarding the correctness of the information therein.

22.7. Client shall be liable for negative equity on Client's account which resulted by stoploss execution, stopout mechanism, trading adjustment, or other non-trading adjustment. Client must make a payment in full and total to cover liability immediately. The Company may deduct balance from account belong to the same Client for settlement with or without prior notice to the Client.
